COMMUNITY CARBON FUND

2025-2029

Haringey Community Carbon Fund

As part of our [Climate Change Action Plan](#), we're funding local community projects to reduce carbon emissions.

The Haringey Community Carbon Fund (HCCF):

- supports the delivery of community-led decarbonisation projects that benefit Haringey residents
- has been a success with more than 36 projects being funded in the first 4 years. In April 2025, the Haringey Cabinet approved the extension for another 4 years with increased funding to a total pot of £400,000.

Spotlight on local legends: Happy Black History Month

Avril Nanton, Tour Guide

Avril Nanton, Tour Guide and Black history presenter specialising in the African Caribbean history of London and highlights the Black history of individual boroughs and central London.

Tottenham Walk

This walk starts at Seven Sisters Station and finishes at the enigmatic Bruce Castle. This tour takes in the main high road area looking at the infamous police station, the old Tottenham Royal, and the Tottenham Outrage. In 1554 when King Philip of Spain arrived in England to marry Queen Mary, he brought with him his Blackamoore servants. When he left England many years later, his servants remained and built a life for themselves in Tottenham. Come and hear their story.

Pan Nation, Steel Orchestra

Pan Nation is a North London steel band that provides a safe space for people to learn and grow together via steel pan music.

We pride ourselves on our musical family, and at just 11 years old the Pan Nation community has grown to over 70 players and counting.

We also provide musical entertainment for a variety of events. Let us know how we can make your function one to remember.
